Dear Members,

This Notice includes annual notices the Plan is required to provide you under the Affordable Care Act and other Federal Laws. It also includes other reminders. This is for informational purposes only. No action is necessary.

GRANDFATHERED HEALTH PLAN REMINDER

The Board of Trustees believes that the Northern Nevada Operating Engineers Health & Welfare Trust Fund is a “grandfathered health plan” under the Affordable Care Act (“ACA”). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that ACA was enacted. Being a grandfathered health plan means that your Plan is not required to include certain consumer protections of the ACA that apply to other plans (known as a Non-Grandfathered plan), for example, requiring the provision of preventive health services without any cost sharing. Grandfathered health plans must comply, however, with certain other consumer protections in the Act, such as the elimination of annual and lifetime limits on Plan benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Office at (775) 826-7200. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor (DOL) at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

MEDICARE NOTICE OF CREDITABLE COVERAGE REMINDER

If you or your eligible dependents are currently Medicare eligible, or will become Medicare eligible during the next 12 months, you need to be sure that you understand whether the prescription drug coverage that you elect under the Medical Plan is or is not creditable with (as valuable as) Medicare’s prescription drug coverage.

To find out whether the prescription drug coverage offered by the Fund is or is not creditable you should review the Plan’s Medicare Part D Notice of Creditable Coverage available from the Plan Office (Call (775) 826-7200).

OPTION TO DECLINE DENTAL PLAN AND/OR VISION PLAN COVERAGE

In accordance with Health Reform regulations, you have the option to decline the Plan’s dental and vision coverage. To decline coverage, complete the portion of the Plan’s enrollment form related to declining dental plan and/or vision plan coverage. Enrollment forms are available from the Plan Office.

- Note that there is no additional compensation to you if you choose to decline/waive dental and/or vision coverage.
- If you decline dental and/or vision coverage you may re-enroll for such coverage after 12 months has lapsed, by contacting the Plan Office. Changes to the enrollment in dental plan and/or vision plan coverage is permitted once each 12-month period.

IMPORTANT REMINDER TO PROVIDE THE PLAN WITH THE TAXPAYER IDENTIFICATION NUMBER (TIN) OR SOCIAL SECURITY NUMBER (SSN) OF EACH ENROLLEE IN A HEALTH PLAN

Employers are required by law to collect the taxpayer identification number (TIN) or social security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a social security number, you can go to this website to complete a form to request a SSN: <http://www.socialsecurity.gov/online/ss-5.pdf>. Applying for a social security number is FREE.

If you have not yet provided the social security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact the Plan Office at (775) 826-7200. Failure to provide the SSN or TIN means that claims for eligible individuals may not be considered payable claims for the affected individuals.

PRIVACY NOTICE REMINDER

The Health Insurance Portability and Accountability Act (HIPAA) of 1996 requires health plans to comply with privacy rules. These rules are intended to protect your personal health information from being inappropriately used and disclosed. The rules also give you additional rights concerning control of your own healthcare information.

This Plan's HIPAA Privacy Notice explains how the group health plan uses and discloses your personal health information. You are provided a copy of this Notice when you enroll in the Plan. You can get another copy of this Notice from the Plan Office.

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA) ANNUAL NOTICE REMINDER

You or your dependents may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles, copayment and coinsurance applicable to other medical and surgical benefits provided under the various medical plans offered by the Fund. For more information on WHCRA benefits, contact the Plan Office at (775) 826-7200.

SPECIAL ENROLLMENT

This Plan complies with the Federal law regarding Special Enrollment by virtue of the fact that all eligible Employees and their eligible Dependents are automatically enrolled in this Plan as soon as the eligibility requirements of the Plan are met. There is no option to decline coverage. You need to provide the Administrative Office with your Dependent's social security number as well as certain documentation to show proof of dependent status (such as a marriage certificate, birth certificate). For more information about what paperwork may be needed to prove dependent status, please contact the Administrative Office.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2022. Contact your State for more information on eligibility –
